Beacon of Change

Huff's Stuff

District Governor, Michele Hufferd

I'd like to give a big THANK YOU to all of the Lions that came out for the cabinet meeting on the 21st. In spite of the mechanical issues, I think we had a good time. We had over 80 lions attend!! It was great seeing Lions we haven't seen in awhile!

Our District Fundraiser with Chris Cakes netted \$339.00 for our district account! I'm so glad we all like to eat!!

After the cabinet meeting, about 12 Lions went out to visit Cedar Cove Feline Conservation park, where we had a HOT but GOOD time meeting Tonka and Shanta, the two new lions.

During the cabinet meeting, Treasurer Rick Dodson indicated that we are getting low on funds in our project fund. At the bottom of this newsletter is some information on igitve.com. This is an easy way for those of us who shop or search online, to raise money for our district. Lions in Colorado have been using this for some time, and apparently it is working well for them. Feel free to contact me if you have any questions about the program.

District directories are here. If you are interested in a directory, they are \$3.00 each. Each club President and Secretary will be provided with a directory.

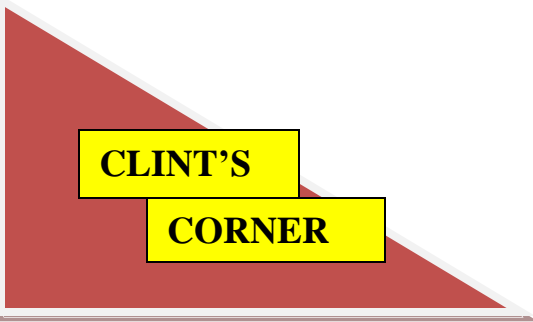

I would like to formally apologize to the Bonner Springs club for missing their meeting this week. Unfortunately it didn't make it on my calendar, My Fault! Again – my sincerest apologies!!

We are now almost done with August, which means President Scruggs' first service projects should be complete. Please send me a few sentences on what your club did for the project, and a picture or two if you have them. I will publish a special edition newsletter for each of the four service projects.

Please provide me with a copy of your DG Points Contest form. They should be sent to 1st VDG Clint for tabulation, but I would like to also have a copy for each club file.

LIONS NEEDED!!

The Silver Lake Lions Club needs Lions to assist them with their largest fundraiser of the year. They will be holding their annual auction on October 2, 2010 at 10:00 a.m. and need any Lions that can help. Remember – you get points for helping with other club's projects and fundraisers! Contact Lion Wayne Kellner at 785-582-4013 for information.

How time flies! Here it is, time for another column. It has certainly been an interesting month. State Council meeting, trip to Leader Dogs in Rochester Michigan, Cabinet meeting, and zone meetings. I even managed to get a few things done for myself.

The trip to Leader Dogs was very interesting and rewarding. An awful lot of information was packed into one day. We arrived in Rochester on Friday evening. We spent all day Saturday at Leader Dog, and returned Sunday afternoon.

The point contest has been interesting. Unfortunately the response has not been very good. Only six clubs submitted contest reports. Let's hope this month will be better. There are a couple of guide lines I feel we need so everyone is on the same page so to speak. The reporting period is the full month, first to last day. Reports should be submitted by the 10th of the following month. For example, August would end on the 31st, and report submitted by Sep 10. Don't report activities until the activity has happened. I recently received a contest sheet claiming points for attending USA/Canada Forum. The Forum isn't until late September, and should be claimed on the September report which is submitted by Oct 10.

I have been attending some club functions and zone meetings. I plan to make club visits shortly.

The Topeka Lions are starting their 2010-2011 Travel Film Series. It will be held at a new location at the Western Hills Baptist Church, Auburn Road & 29th Street, Topeka. Showtimes are at 7:00 p.m. and include:

“A Taste of Old Holland”

“Portugal & Cruising the Douro”

“The Erie Canal”

“Etched in Stone: Scotland to Provence”

“Texas Highways and Byways”

“Part 2: RV Trip in the Rockies”

Tickets are \$8.00 each, or \$35 for the entire season. Students are \$3.00 each or \$8 for the entire season (18 and under).

For information or tickets contact: Irene Owen at 785-249-1913 or ihowen@att.net

Nichols' Notes

During the 2009-2010 Lions' year, PID Ernie Young provided us with a list of Lions acronyms and what each stood for. This list was included in one of last year's newsletters. The August 2010 issue of the District 17-I newsletter contained an article by VDG Marion Schroll that provided more in-depth explanations of some of those same acronyms. With Lion Marion's permission I have adapted his article for our own district newsletter.

How to Speak Lionese or Lions Alphabet Soup

Ever see this in a district, state, or international news item? "Lions gathered for a state convention. Present from 17-O were ZC Carole, 1st VDG Clint, 2nd VDG Beverly, DG Michele, PDG Tom, CC Bill, PCC Bobby, ID Anne, PID Ernie, and IP Sid and PIP Bill. They discussed the MERL team and MJFs while L.S.M.F.T." Did you just go, "Huh?"

Every company or organization uses abbreviations. Lions show respect for positions at the district level and above by using the individual title to show respect for the position and the individual in that position of leadership. Here is a short course in what the abbreviations mean.

ZC=Zone Chair: This is the first level of responsibility above the club level. In our district, District 17-O, zone chairs are responsible for being the liaison between district leadership and the clubs. The zone chairs in our district each have 6-8 Lions clubs to visit, listen to members, and pass on to clubs what is happening at district, state, and international levels of Lions.

1st VDG and 2nd VDG: We now have a first and second vice district governor. This allows for two years of training and experience for folks to get ready for the most important office in Lions. **DG=District Governor:** The district governor is the leader of Lions clubs within the district. Our DG, Michele Hufferd of Louisburg, will visit district clubs during the year, attending both club meetings and some club activities. She will also preside at all district cabinet meetings and coordinate district-wide activities. We have five districts in Kansas: 17-L, 17-I, 17-O, 17-N, and 17-S. Each district governor is responsible for the clubs in his or her district. Each DG has undergone extensive training to lead the district, both during the year as 1st VDG and at the International Convention prior to becoming DG. **PDG=Past District Governor:** District governors serve a one-year term but are past district governors for the rest of their lives! Past governors provide ongoing support for Lions activities, and you will see many of them at Lions meetings everywhere.

CC=Council Chair: The state headquarters for Kansas Lions (Multiple District 17) is in Wichita and operates under the experienced direction of state secretary Lion Linda McCormick. The state council chair serves a one-year term as the leader of Lions across our state. In Kansas the council chair is elected from the outgoing group of district governors. **PCC=Past Council Chair.** A PCC is an individual who has served as council chair. **ID=International Director.** Lions Clubs International is governed by a board of directors which are elected at the annual convention for a two-year term. Kansas is honored to have ID Anne Smarsh on the current board. **PID=Past International Director:** Kansas has four PIDs who remain very active in state affairs—PID Ernie Young, PID Gene Vogel, PID Bob Tonjes and PID Ed McCormick. This year Lion Ed will serve a one-year term on the international board as a board appointee (appointed by the president rather than elected by membership). **IP=International President:** This position changes every year, but the individual serving has had two years of intensive training while serving as 2nd and then 1st vice president of Lions Clubs International. Each president chooses a theme for the year. Current IP Sid Scruggs' theme is "Lions, A Beacon of Hope". **PIP: Past International President.** PIP Bill Wunder from Wichita served as IP in 1995-96. He remains active in Kansas Lionism.

MERL team =Membership, Extension, Retention, and Leadership: This group covers four areas for Lions which emphasize growth, both in membership and in leadership skills. The MERL team organization is being replaced by GMT (Global Membership Team, which will meld membership, extension, and retention activities into a single focus) and GLT (Global Leadership Team). **MJF=Melvin Jones Fellow:** Melvin Jones was the founder of Lions. In his memory, any Lion can be awarded this top honor for a donation of \$1,000 to LCIF (Lions Clubs International Foundation). **L.S.M.F.T.:** Only really old folks will recognize this. It has nothing to do with Lions. :)

My thanks go to Lion Marion Schroll for allowing me to adapt his ideas for this article. If I can be of help to your club in any way, please don't hesitate to call on me.

KANSAS LIONS SIGHT FOUNDATION MOBILE SCREENING UNIT IS GOING TO THE KANSAS STATE FAIR SEPTEMBER 10-19

The Kansas Lions Sight Foundation will have the Unit open for screenings from 10:00 AM to 4:00 PM each day. During that time period volunteer help is needed and the numbers are 5 volunteers to cover the operation of the MSU each day.

From 4:00 PM to 9 PM the Foundation needs to have two people at the MSU but no screenings taking place.

Also need to have medical testing certification trained people(2) also for blood pressure and diabetes checks. Sylvia is working to obtain the medical volunteers also.

Each person helping out will receive a free pass to the State Fair for that day. Also hoping that one car, for a group, will receive a gate pass for vendors which is inside the Fair Grounds for parking and close to the location of the trailer. The Trailer will be inside the North Sunflower Building. It is air conditioned. Should be comfortable tour of duty to "We Serve".

HOW TO REPORT ACTIVITIES TO INTERNATIONAL

Go to www.lionsclubs.org. Click on submit reports, log in with your member number and password. Click on club. At the bottom there is a link that says Activity report not yet completed this month, click here.

It then says welcome to the new activity reporting page. Click on the month to the left that you are reporting for, i.e. September for this month. Under September activities for fiscal year, you would click on Add New. You give it a title and description. For the type of activity at the bottom, if you click on the magnifying glass to the right, it will bring up a huge list that you can choose from. You can also upload pictures if you have any that you want attached. If your activity is for one of President Scruggs' service projects, make sure you click on Global Service Activity in the bottom right corner. Then you click save, and your activity report is done.

You can then add additional activities if you had more than one during the month.

Did you know that according to International, you should only drop members twice a year? November and May. This is due to the fact that International dues are not prorated, so it doesn't matter if you drop them other times during the year, AND if you don't drop them in November or May, they may not be processed before January or July, resulting in an International dues charge.

Salvation Army "Christmas in April."

The Topeka Sunflower Lions Club helped ring bells to help the Salvation Army "Christmas in April" campaign. Because of more requests for help this year the Salvation Army held a "Christmas in April" bell ringing to raise more funds to help those in need. The Sunflower Lions Club helped with their project as we do in the winter. Sixteen Sunflower Lions members rang bells for eighteen hours. It was hot but not cold this time.

Skip Skaptason

Lion Skip was recently hospitalized for 3 days with an apparent stroke and will be in Villa St Joseph at 11901 Rosewood Room B9 until probably Sept 10th. The facility is across from Town Center Plaza and Sandy said Skip is getting stronger and would like visitors, no phone call is necessary.

Larry Epperson

Lion Larry Epperson was in the hospital in Atchison for pneumonia. He was getting better, but fell out of the bed and broke his hip. I'm sure he would appreciate cards.

It was 60 years since I, Lion Bob MacLeay, had stepped on a quartermile track in running clothes. I felt young again--and just as scared as I used to be.

The event was the 1500 meter (metric mile) race walk in the Sunflower State Games of 2010, the official race to determine the Kansas State champion in the above 80 years bracket. Actually, it was one big heat for all ages, including a 16 year old girl (Keara), who had placed second in the National championships last year.

The start was like the Bugs Bunny cartoon when he raced the turtle. The gun went off and so did Bugs, but I, like the turtle, was left spinning at the starting line.

Before long I was at the head of the pack! Then Keara passed me for the first time, the others followed in a long line. Then Keara passed me again. I was all by myself on the track when I started the last lap and getting a little winded from the 96 degree heat. Suddenly Keara appeared at my side and walked beside me for the full lap, chatting and cheering me on. What a darling!

I FINISHED! Dead last!!

BUT..... Everyone else was younger than 80 years, so, I, dead last by a quarter-mile, had won!

I WAS THE KANSAS STATE CHAMPION! Got a gold medal and everything.
